Renewable Energy Certificate (RECs) Assignment of Rights Form

Declaration

I, the customer, acknowledge and agree that:

- > I have read this form and agree to these terms and conditions.
- > I am or will be the owner of the system described in this form upon its installation.
- > I irrevocably and unconditionally assign to Moss Capital my right to create renewable energy certificates under the Renewable Energy (Electricity) Act 2000 (Cth) in respect of the system described in this form, upon such right to create coming into existence. Moss Capital will thereafter be entitled to exercise all rights in respect of such right to create renewable energy certificates, including to create, register, sell and transfer any renewable energy certificates.
- > I have not previously assigned or created any renewable energy certificates, or any right to create such renewable energy certificates, in respect of the system described in this form.
- > The information I have provided in this form is correct and complete. I am aware penalties can apply for providing misleading information in this form under the Renewable Energy (Electricity) Act 2000 (Cth).
- > By assigning to Moss Capital my right to create renewable energy certificates in respect of the system described in this form, I am unable to sell or assign to anyone else any right to create renewable energy certificates, or create any renewable energy certificates, in respect of the system described in this form.
- > If my assignment is invalid or Moss Capital is unable to create or register any renewable energy certificates in respect of the system described in this form, resulting from my error, action or omission, I will be liable to reimburse Moss Capital upon demand for all payments I have received in respect of the assignment.
- > Under the Renewable Energy (Electricity) Act 2000 (Cth), the information in this form may be disclosed for the purpose of creating, auditing, monitoring and verifying any renewable energy certificates.
- > I authorise Moss Capital to amend any errors in this form to comply with any requirements of the Renewable Energy (Electricity) Act 2000 (Cth) and to ensure that the assignment in this form is effective.
- > I will do and perform all such other acts, matters and things as may be reasonably requested by Moss Capital so as to give effect to the assignment in this form.
- > I understand Moss Capital agree to secure the quoted REC price for up to 14 days after purchase, I understand Moss Capital may amend the price higher or lower in line with market price if I lodge this form late.
